

Muhammad Numan

Cross-Functional Project Coordinator

G1, Johar Town, Lahore | +92 310 4274388 | numanriaz475@gmail.com

PROFILE

Execution-focused project professional with 6+ years coordinating cross-functional teams (development, QA, UI/UX, and stakeholders) across web and mobile delivery. Skilled at keeping workflows aligned, tracking milestones and owners, and acting as the communication bridge between technical and non-technical teams. Hands-on with Jira and Confluence for sprint planning, backlog management, status reporting, and process documentation. Based in Lahore and available on-site.

CORE SKILLS

Cross-Functional Coordination • Jira & Confluence • Milestone & Timeline Tracking • Stakeholder Communication • Process Documentation & SOPs • Status Reporting • Risk & Dependency Management • Sprint Planning & Backlog Management • Organizational & Multitasking Skills

EXPERIENCE

Project Manager / Scrum Master | WaxonIT Solutions, Lahore

Dec 2025 – Present

- Coordinate workflows and deliverables across development, QA, and design teams, ensuring milestones, owners, and priorities stay on schedule.
- Act as communication bridge between technical teams and clients, translating requirements into user stories, workflows, and actionable tasks.
- Prepare and maintain status reports, meeting minutes, and delivery roadmaps for stakeholders.
- Support process documentation and requirement traceability records to keep execution organized and transparent.
- Track project progress and risks using Jira dashboards, flagging blockers before they affect delivery.

Project Manager / Scrum Master / SQA Lead | Visnext Software Solutions, Lahore

Jun 2023 – Dec 2025

- Coordinated cross-functional onsite and remote teams — UI/UX, frontend, backend, mobile, and QA — across multiple concurrent projects.
- Managed end-to-end delivery from requirement gathering through release, keeping timelines, budgets, and quality standards on track.
- Collaborated with international clients and Product Owners to define scope, prioritize features, and build delivery roadmaps.
- Maintained project plans, sprint schedules, and documentation to ensure transparency and predictable delivery.

Associate Project Manager / Project Manager | 3S Solutions (Pvt.) Ltd., Lahore

Aug 2021 – Jun 2023

- Led cross-functional Agile teams delivering Web, iOS, and Android applications within scope, timeline, and budget.
- Worked closely with UI/UX, development, and QA teams on wireframes, user flows, and actionable development tasks.
- Managed Jira boards, Confluence documentation, sprint reports, and release notes to keep teams and stakeholders aligned.

Project Coordinator & Solution Designer | Eyrox, Lahore

Jan 2021 – Aug 2021

- Evaluated business requirements and workflows to support solution development and coordination across teams.
- Supported sprint planning, documentation, and coordination between users, designers, and engineering teams.
